DevHack Hackathon

Tech Escape

CERTIFICATES

Web development

Java programming

V- code competition

Research paper published in student journal

Codeology 2.0

DevHack

TechEscape

INTERSHIP

PRODIGY TECHNOLOGY

Internship Experience

I worked on real-world problem-based tasks that helped me improve my coding and problem-solving skills. I used tools like React/Node.js to build simple features. This experience gave me hands-on practice and built my confidence as a student developer.

DECLARATION

I confirm that the details provided in this resume are true and complete,
Harshita Kothari
